REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Additional Required Training

Anti-Money Laundering Training (AML):

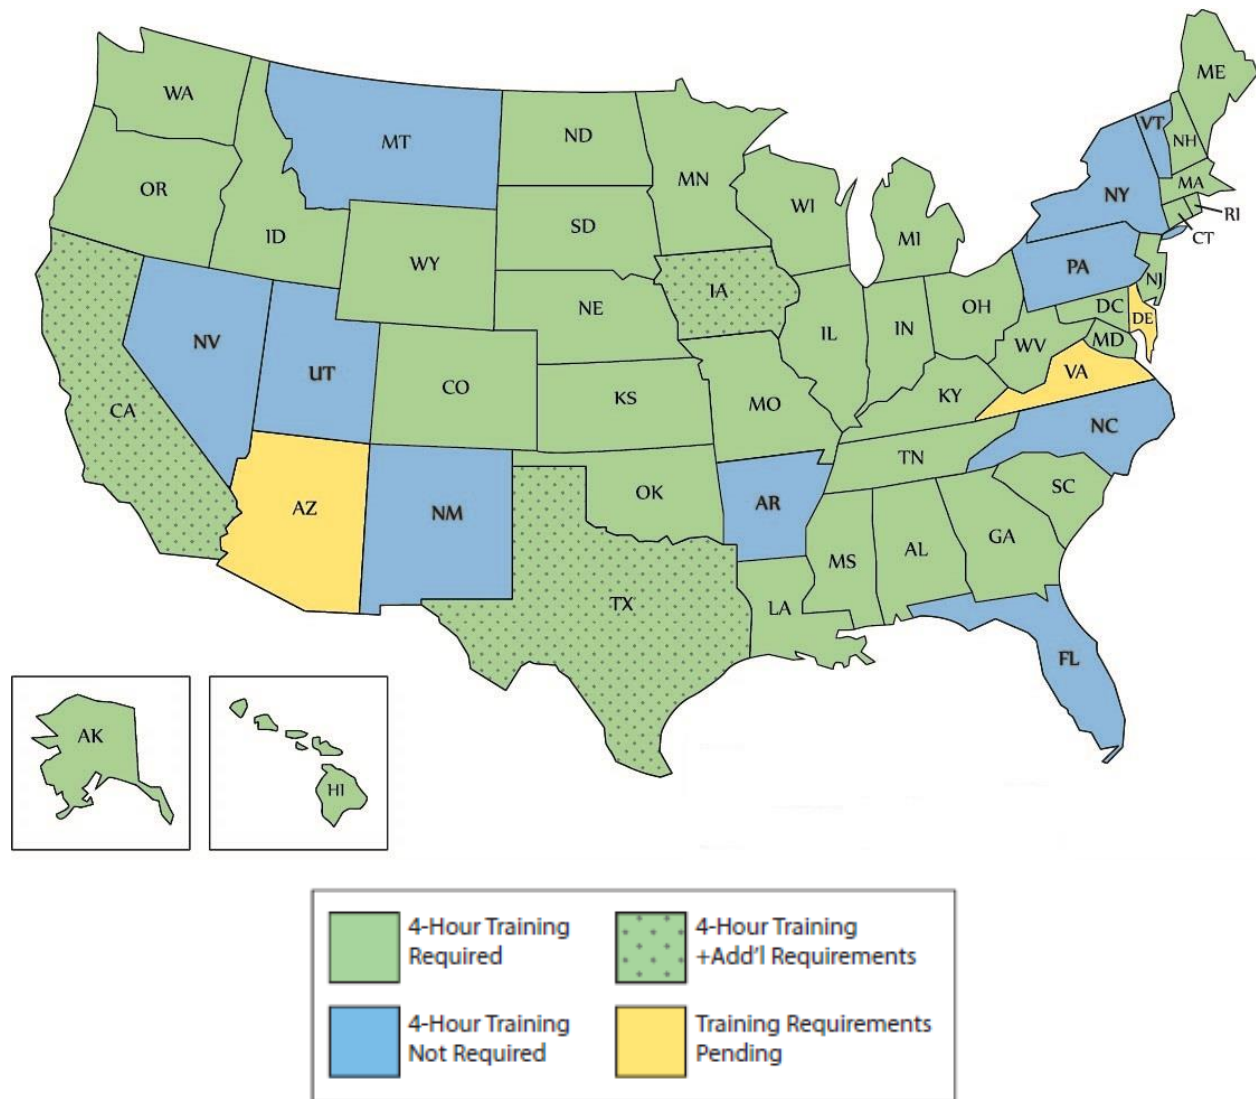

Sagicor requires that all agents complete an approved AML training course every 2-years. A copy of the training certificate including the course title, vendor name and completion date must be provided. Sagicor has permitted the following vendors: LIMRA (no certificate required), RegEd, WebCE, QuestCE, SuccessCE. Sagicor may accept additional third party vendor training for AML credit. If AML training has been taken through a vendor not listed above, Sagicor will review the training and make the final decision as to whether it is acceptable or not. Agent contracting will not be approved and business will not issue until AML is in good order.

Iowa Indexed UL and Whole Life CE:

Iowa requires all producers who wish to sell an indexed product in Iowa to complete 4-hours of indexed product CE. Iowa producers can complete the “Sagicor Annuity Suitability Training Course” to receive the 4-hours of CE in Iowa or provide Sagicor with the completion certificate for the required 4-hour CE course taken through another vendor.
