REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity & Life Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business. Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

Annuity & Life Carrier Specific Product Training

Who should complete the product training?

All agents soliciting annuities, regardless of state, are required to take the product training module.

When can the product training be taken?

New agents and active transferring agents will need to complete at least one of the EquiTrust Product Training modules before the agent appointment can be approved. If the product training is not completed within 30-days from the date Agent Contracting is received, the appointment request will be closed. Product training modules will be available after the agent contract has been submitted to the carrier. Once an agent number has been issued, EquiTrust will send an email directly to the agent with login information. Product Training can be completed the same day that new business is solicited.

Product Training Directions:

1. Go to: <https://agents.equitrust.com/>
2. Annuity Agent Login

Additional Required Training

Anti-Money Laundering Training (AML):

LIMRA is the only AML vendor that EquiTrust will accept. All agents are required to take a 1-time AML course through LIMRA; EquiTrust does not require any on-going renewal courses. For agents that have not previously taken AML with LIMRA, EquiTrust will email login information after the first piece of new business has been submitted. AML taken through any other vendor will be declined and the agent considered "non-compliant". AML Training, in good standing order, is required before new business will issue.
