REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Annuity Carrier Specific Product Training

Who should complete the product training?

All agents must take product training, regardless of state.

When can the product training be taken?

Product training must be completed in order for an agent's contract to be processed. Product training can be taken the same day new business is written.

Additional Required Training

Anti-Money Laundering Training (AML):

Guggenheim accepts all vendors for AML training as long as a certificate is provided (no certificate needed for LIMRA). AML needs to be renewed every 2 years. Business will not issue until AML is compliant.

Notice to Florida Resident Agents: FL producers are exempt from the NAIC Training Regulation however; 5 hours of state annuity training is required bi-annually (due by end of licensee's birth month). Guggenheim mandates that all FL agents provide a copy of their current CE Transcript showing completion of the 5-hour annuity training.
