REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Annuity Carrier Specific Product Training

Who should complete the product training?

Only agents in NAIC regulated states must complete product training (see attached Annuity Suitability Training Requirement). States that do not require a 4-hour state training but still require carrier product training include: FL, MT, NY and UT.

When can the product training be taken?

If our licensing department has your valid email address on file, you will receive an email from Kaplan about 30 days prior to the state effective date. The email will provide you with login information, as well as the specific courses that apply to the companies with whom you are appointed. Log in to the "Current Portal Users" section. Click "Log in." Go to the "Complete Product Training" section below to proceed.

2. A screen will come up with several paragraphs of text followed by blanks in which to key your contact information. You will need your National Producer Number (NPN) to do this. In the second paragraph of text you will see a "Click Here" that will link you to a site where you can search for your NPN if you do not know it.
3. After you have your NPN, complete all fields with a red asterisk (*), including creating a username and password. Click on "Create Account." This will immediately log you into the site.
