REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Annuity Carrier Specific Product Training

Who should complete the product training?

Only agents in NAIC regulated states must complete product training (see attached Annuity Suitability Training Requirement). States that do not require a 4-hour state training but still require carrier product training include: FL, MT, NY and UT.

When can the product training be taken?

Product training can be taken anytime. Agents must complete product training at least one day before soliciting new business.

3. Personal Profile Security Setup (One-time requirement for all accounts)

- Upon first login you will be prompted to create a Secure Profile by establishing three familiar security questions.
- Users who have already completed this Secure Account Set Up process, will simply gain access to their account and will not be prompted create and answer their account security questions again.

The screenshot shows a "Personal Profile Security Setup" form. At the top, there are three icons in a blue line: a star for "Password", an envelope for "Email Address", and a lock for "Security Questions". Below the icons, the title "Personal Profile Security Setup" is centered. A message reads: "To help us provide a secure environment for your information, please complete the security question setup below." Below this are three instructions: "* You must complete all 3 questions in order to proceed." and "* Each answer must contain 6 characters or more." The form contains three sections, each labeled "Question 1:", "Question 2:", and "Question 3:". Each section has a dropdown menu with "Select one question" and a text input field below it.

4. Once logged in, you are able to start or continue any course previously added into your user dashboard.
