REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Additional Required Training

Anti-Money Laundering Training (AML):

F&G prefers LIMRA (no certificate required) and SuccessCE for AML training, they will also accept any state approved course. If an agent is wanting to complete an online application for new business, AML needs to be compliant. If an agent is taking a paper application, AML is needed in order for business to issue. AML is required every two years.
