## REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

**Annuity Carrier Specific Product Training** and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing ([licensing@ecamarketing.com](mailto:licensing@ecamarketing.com)) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

### **Annuity Carrier Specific Product Training**

#### **Who should complete the product training?**

All agents must complete product training, regardless of state.

#### **When can the product training be taken?**

Product training is built into the contracting process, so it will be considered completed as of the date that the Oxford Life proprietary online contracting process is completed by the agent. An agent must wait until fully appointed in the state of solicitation prior to writing a piece of business.

**Product Training Directions:** Product training is built into the proprietary online contracting process provided by Oxford Life.

### **Additional Required Training**

#### **Anti-Money Laundering Training (AML):**

Oxford Life accepts all AML providers. Training must be completed every three years. Without updated AML training, client applications will not be issued until proof of current AML training can be provided.
