

The Standard

REQUIRED CARRIER SPECIFIC TRAINING (CST) INSTRUCTIONS

Annuity Carrier Specific Product Training and state mandated **NAIC Annuity Training** (see STATE ANNUITY SUITABILITY TRAINING REQUIREMENT for regulation) must be completed prior to soliciting business. Failure to do so will result in rejected business.

Please carefully review the information below and provide a copy of the training certificate to ECA Marketing (licensing@ecamarketing.com) once complete.

If you will not be participating in solicitation of annuity products with this carrier, you can bypass the CST requirements. **Life** producers are required to abide by the rules set in place by the carrier for any additional training requirements. Review **ADDITIONAL REQUIRED TRAINING** before proceeding.

Annuity Carrier Specific Product Training

Who should complete the product training?

Only agents in NAIC regulated states must complete product training (see attached Annuity Suitability Training Requirement). States that do not require a 4-hour state training but still require carrier product training include: FL, MT, NY and UT.

When can the product training be taken?

Product training can be completed anytime. Training can be taken the same day new business is written.

Product Training Directions: There is one training module that covers all products. To view that module select here: <https://www.standard.com/annuities/training/>

After reviewing the module, agents will be prompted to acknowledge completion (sometimes a slight delay) which will generate a confirmation email to both the producer and the carrier.

Additional Required Training

Anti-Money Laundering Training (AML):

The Standard accepts most vendors for AML training but prefers LIMRA (no certificate required). AML is required annually. Business will not issue until AML is compliant.
